

## New York Partnership for a Green Afghanistan

I want to support GREEN Afghanistan, an initiative to replant trees to revitalize Afghanistan's orchards, nurseries, woodlots and greenbelts. This people-to-people tree-planting program will help restore Afghan livelihoods and repair its devastated environment.

**I am enclosing a contribution to support the crucial work of the New York Partnership for a GREEN Afghanistan:**

- \$500 will provide the initial planting material for a half-acre tree nursery.
- \$200 will deliver 10 native fruit trees and supplies needed to support the planting.
- \$100 will provide tools and fertilizers for one family orchard.
- \$60 will plant three poplar trees.
- \$20 will plant a fruit tree.

**My business or corporation will become a GREEN Afghanistan Partner by providing financial and other support:**

- \$2,000 will lift one Afghan family out of poverty by establishing a small poplar woodlot
- \$1,000 will create one family orchard, including trees, tools and training.
  
- Please contact me for additional ways to support the Partnership.

Thanks for your help in supporting a secure and democratic future for Afghanistan.

**Checks should be made payable to GPFA GREEN Afghanistan.**
